## **Abstract**

A maximum of 1000 characters should be used for the abstract, without including any equations, references or special characters. The abstract should give a clear description of the contents of the proposed work. The abstract should not continue on the second page.

**Keywords:** instructions, format, rules, recommendations, maximum of 5.

## **1 Introduction**

This document defines the template to be used in manuscript preparation for the Congress Euronoise 2021.

## **2 Submission and publication**

All papers should be submitted using the conference website, <http://www.webchairing.com/euronoise2021>. Final papers will be published in the conference proceedings.

## **3 General format**

The manuscript should follow the template presented here. It should not be longer than 10 pages (A4). The maximum file size allowed for the final paper is 6 Mb.

### **3.1. Text format**

Tables and figures should be centered, numbered consecutively, and a legend should be always included (see, for example, Table 1 and Figure 1).

Table 1: Example of a table xxx / yyy.

xx	yy
-	-
-	-

### **3.2. Citing references**

In the text, references should be cited using numbers between brackets [1].

## 4 Conclusions

At least one of the authors should register in the conference and pay the registration fees. Otherwise, the paper will not be published in the conference Proceedings.

## Acknowledgements

Acknowledgements to persons or institutions should be placed in this section.
